SACRE RE Conference – Better Standards, Spirituality, Values

**Basford Hall Conference Centre
55 Goldcrest Road
Cinderhill
Nottingham
NG6 8PT**

17 June 2019

Outline

The day will be led by Lat Blaylock, our consultant from RE Today. The aim of the day will be to follow on offering teachers uplifting, creative and practical ideas to utilise in the classroom which will enhance the profile of RE in schools. Delegates will receive ideas on ways to continue the exciting development of RE within schools. Our annual Conferences are looked forward to by many teachers who are enthused from being together to spend a day working together. As one colleague said in 2018 'I feel today has helped to show ways to stimulate those in school with no interest in RE'.

Cost: £150 for the day including lunch
