The image shows a screenshot of a web application interface. A white modal dialog box titled "Redeem code" is centered on the screen. The dialog contains the text: "Professional development can happen anywhere, and we want to honor it here. Enter your achievement code to record hours, update your transcript, and get your recognition." Below this text is a text input field. Underneath the input field, it says "Example: T-XXXXXXXXXX". At the bottom of the dialog are two buttons: "Redeem" (in blue) and "Cancel" (in grey). The background is a blurred screenshot of a Microsoft Teams course page titled "Microsoft Teams Course 2: Let's share (presenter-led)".
