Spare furniture at Milford – free to a good home!

Rob Perkins (Headteacher at Milford) has been in touch to let us know of some items at Milford which are surplus to requirements, which he would like to find a good home for:

- 20 x stalls (various colours) - 590mm

- 10 x tables - L1600mm W800mm H700mm

Ideally it would be great if these could be collected before the end of Wednesday however collection could be arranged over the holidays.

If these items are of interest to you please get in touch with Rob via email to headteacher@milford.nottingham.sch.uk, or call the school on 0115 9152951.

Smart Kids Resources for rehoming

Shewley Choudhury (Headteacher at Snape Wood) has asked if anyone in the NST is using Smart Kids resources – Letters and Sounds? They have some resources available that they would like to offer to a good home. If these are of interest to you, please could you get in touch with Shewley via email to headteacher@snapewood.nottingham.sch.uk, or call the school on (0115) 915 9146.

- Reading for Pleasure: Transforming your school's reading culture
- OU & UKLA Teacher Reading Group

Also attached is a flyer detailing the autumn term English Hub showcase events, which schools would need to attend to apply for support and/or funding for phonics resources.

Further details about the work of the English Hub can be found here: [About | English Hub | Flying High Futures | Flying High \(flyinghighpartnership.co.uk\)](#)

Carl Pattison did a briefing about next year's English Hub offer, and the recording can be accessed here: <https://youtu.be/IMiuaPKqQdE>

The best way for schools to keep up to date with the English Hub offer is to join their mailing list. Just email englishhub@flyinghightrust.co.uk to request to be added.
