### **Talk Money Week and Number Confidence Week: 6th – 10<sup>th</sup> November 2023**

We are asking every school to do **one** thing around money learning during 6th-10th November.

6th-10th November is national Talk Money Week and the organisers are asking all of us to do one thing - we can all do one thing!

<https://maps.org.uk/en/our-work/talk-money-week>. It includes a great Toolkit for Schools resource.

Talk Money Week picks up on mental health because it encourages people to talk about their money issues due to the huge effect money problems can have on mental health.

AND

6th-10th November is also Number Confidence Week!

National Numeracy has lots of resources on number confidence and a section on supporting children and numeracy in schools
