Jenny Moseley Foundation Training at Mellers – 28th & 29th February

Is anyone interested in joining some really excellent CPD focusing on:

- how to structure and deliver a successful, impactful circle time as part of wellbeing work. This will involve observing a circle time with KS1 and KS2
- how to develop children's oracy and listening skills
- how to develop a problem-solving, solution-focused approach to creating a positive classroom culture

Those of us that are old enough might remember Jenny Mosley, who was the national guru at the time for all things wellbeing and emotional health. She's running a full day of workshops at Mellers on Wednesday 28th February 2024 for teaching staff and Thursday 29th February 2024 for middays, focusing on positive and calmer lunchtimes.

The cost is only £50 per delegate for half a day and £85 for a full day. The cost for the midday session is £65 per delegate. If you are interested in sending someone along, please contact headofschool@mellers.nottingham.sch.uk, or complete the attached application form and email it to circletime@jennymosley.co.uk

An intensely practical session, Jenny will highlight the qualities teachers and children need to develop in order to promote stronger PSHE and Mental Health and Wellbeing alongside a Trauma-Informed Approach. Jenny is passionate about working with the innate wisdom of children as a powerful forum for change so she **Jenny will demonstrate Circle Times with a class of KS1 children in the morning and KS2 children in the afternoon with delegates observing, followed by discussions.**

Unmissable for schools who have problems from lunchtimes which spill over into the afternoon affecting children's learning and staff morale! **For a school to get the best value from the workshop Jenny encourages senior managers to attend so a true whole school dining hall and lunchtimes policy can be put in place.**

What past delegates say...^{o)} have had wonderful feedback from not only my staff but other heads too who sent their staff on the training. We have also found a way to get circle-time across the school weekly in each class...our middays too have embraced your ideas to change playtimes. All commented on your enthusiasm and inspiration. How wonderful is all of that! Jennifer Richards, Headteacher, St Mark's CE Primary, Bromley, Kent

Who are these courses for: Teachers, TAs, Senior Management, Lunchtime Supervisors, Headteachers. Everyone!
For a school to get the best value for the training Jenny also encourages senior managers to attend so a true whole school positive relationships framework can be put in place.
