Rosehill's Here to Help Fayre – 23rd May

Rosehill are hosting a Here to Help Fayre on the Monday 23rd May, 9.30am to 2.30pm. During this event parents and other key professionals will be able to access a huge amount of information which will signpost parents and carers towards services, enabling them to feel confident to reach out and access suitable, current and relevant services.

Rosehill would like to invite 10-12 NST SENCOs to this event so that local schools are able to network and gather useful information for their own settings.

Please see the attached flyer for further details about the event, and a booking link.

Places will be offered on a first come first served basis, and the deadline for booking is Wednesday 18th May.

**ABLE Business Masterclass: Sustainable Income Generation
for Schools and Academies – 14th May**

The next ABLE CPD for School Business Managers is taking place on 14th May, 9.00am-12.30pm at Springwater Golf Club (NG14 6FZ), which is a masterclass focussing on 'Sustainable Income Generation for Schools and Academies'.

This is an interactive and practical workshop designed to provide delegates with the skills, knowledge and the confidence to drive new income into their school. Delegates will learn

how to select the most effective fundraising method to meet their school needs and how to prioritise those initiatives most worthy of their efforts. The workshop will include grant funding, crowdfunding, business sponsorship, gift aid and much more, with insight into how best to assemble a compelling story to engage supporters and potential donors.

Resource packs will be provided, including an income generation plan and project template, allowing delegates to quickly introduce some of the key principles being explored. Simple and quick wins will enable delegates to make an immediate impact on their return to school – swiftly demonstrating a return on their investment!

Who should attend?

This masterclass is designed to meet the ISBL Professional Standards, tier 1 and 2; providing the foundations for a coherent and structured income generation approach in school. As such, the appeal will be broad, from school business professionals and finance leaders to headteachers and governors. No prior experience of school fundraising is necessary.

This half-day session is free for schools with NST funded ABLE membership. Use Code ABLE1405 so that your place is free.

Further details and a booking link can be found on the ABLE website here: [Conferences - Able | Association of Business Leaders in Education \(ablepro.info\)](#)

PEIA Attendance Conference – Friday 17th May

Join us for a FREE conference to support your school to improve attendance and reduce persistent absenteeism

Wayne Harris from Inclusive Attendance will share a whole school approach that works. Over 500 schools have improved their attendance following this evidence-based approach. Every school has been allocated two FREE places, one for the senior lead for attendance and one for their attendance officer. Trusts may also send a member of their central team. We will also fund access to a considerable bank of resources and further CPD models for each school that attends.

Friday 17th May 2024 9am to 3.30pm
Notts County Conference Centre

Places are limited so please complete this form to confirm your attendance - <https://forms.office.com/Pages/ResponsePage.aspx?id=vRE2qqwTrEeCBwD7nqRO3k7hXY7AgY1liMM2yi4vQ6xUNUZDQzJCN0FYTDNQMDVXTUc0MVRWNzNZNy4u>

There is free parking at the venue or in a car park just over the road.

Empowering Schools To Build An Attendance Culture

Join us for an exclusive conference led by Wayne Harris, a distinguished attendance leader with a remarkable track record in enhancing attendance rates within both Primary and Secondary school settings. With over a decade of experience, Wayne's expertise has propelled him to the forefront of attendance improvement strategies.

Starting from September 2023, Wayne Harris will spearhead a ground-breaking Professional Development programme aimed at empowering schools to foster a culture of everyone being responsible for school attendance.

Conference Session Highlights:

Part 1: The Post Pandemic World

Analyse the challenges confronted by schools, children, and families in the aftermath of the pandemic. Delve into the invaluable insights derived from esteemed organisations and explore evidence-based research from both the United Kingdom and International collaborators.

Part 2: Create a New Attendance Culture.

Understand how to cultivate a culture where collective responsibility for school attendance is embraced. Establish an inclusive approach to attendance, offering professional learning to staff in understanding their roles and responsibilities. Elevate staff comprehension by applying the professional development model and extensively investigate the learning modules to instil a new attendance culture.

Part 3 Redefine Your Approach With a Revolutionary Mindset.

Explore the process of moving away from a traditional 'top-down' leadership style towards a culture where everyone actively engages in school attendance responsibility. Acquire valuable insights into how the Domains of Practice, along with a seven-month development programme, can guide this transformation and foster a collective sense of accountability.

Benefits of Attending:

- Stay ahead of upcoming changes in attendance practices.
- Utilise the Professional Development model to instil a culture of shared responsibility for attendance.
- Access a wealth of learning materials and resources.
- Become a part of the rapidly expanding national network of schools across the UK.
