Glade Hill KS2 Teacher and English Lead Vacancy

Glade Hill are advertising for a KS2 Teacher and English Lead role, which is a fulltime, permanent position, and the closing date for applications is Monday 14th October. Please see the attached document for further information about the role. Please could you share the details with anyone you think may be interested in applying? Thank you!

High Quality Early Years Maths CPD – Suitable for EYFS Teachers and Leaders and Primary Maths Leaders

East Midlands Maths Hub (West) are offering free access to their Specialist Knowledge for Teaching Maths in Early Years Workgroup. This is led by Mary Prest and consists of four face-to-face days across the year, focussed on increasing knowledge and understanding

of how young children develop mathematical thinking and of effective pedagogical approaches to support this. For more information and to sign up, please [click here](#).

Maths Hub Subject Knowledge CPD Programmes - Spaces Still Available

Spaces are available on the following Maths Hub subject knowledge CPD programmes – click on the hyperlinks below to find out more or to apply:

- Subject Knowledge for Teachers (Spatial Reasoning focus) info flyer [here](#)
- Subject Knowledge for Early Years Teaching info flyer [here](#)
- Subject Knowledge for Primary ECTs info flyer [here](#)
- Subject Knowledge for Primary Teaching Assistants info flyer [here](#)

If you have any questions about any of these programmes, contact mathshub@georgespencer.org.uk

Agreement Trialling Sessions

After the successful impact of these sessions last year, we are pleased to announce that we are now taking bookings for our **Autumn Term** Agreement Trialling sessions which will be running during November.

This term, we are focusing on **Personal, Social and Emotional Development, Communication and Language and Expressive Arts and Design** which have been selected after analysis of the most recent EYFSP data. We will also be sharing the most recent national and local updates, 2024 data analysis and links for CPD and support for early years practitioners.

We will also have a focus on **Boys** attainment and supporting those with **EAL** as well as continuing with our **SEND** support during discussions.

Lifesavers Programme – Free Financial Education Resources

The [LifeSavers](#) programme is a free financial education initiative available for primary schools. Delivered by the Just Finance Foundation, LifeSavers has been created to help children manage money wisely now and in the future.

We're providing **free** training and resources that equip teachers to deliver money lessons, and keep children engaged in healthy money habits. JFF is fortunate to partner with generous funders who contribute funds, resources and expertise that helps us continue to provide high quality financial education at **no cost to schools**.

What's available?

- [5 Big Questions about money](#) – whole school resources, lesson activities and assembly plans to promote meaningful conversations about money.
- [Milo's money](#) – a beautifully illustrated storybook complete with Milo the Dino soft toy. Supplementary resources available for EYFS and KS1.
- [Values for Lifesavers](#) – Collective worship resource focusing on our values of Generosity, Thankfulness, Justice and Wisdom.

Benefits

The LifeSavers programme helps to reinforce positive attitudes and behaviours in relation to money from a young age. Research shows that habits and attitudes around money are being formed before the age of 7. That's why LifeSavers encourages children to develop a wise, generous, just, and thankful attitude to money, contributing towards their character development and future life chances. LifeSavers classroom resources fit well within the PSHE, Maths and Citizenship curriculum. The materials develop alongside the children as they progress through the school.

Get involved

If you'd like to get involved in the LifeSavers programme or find out more information on how you can equip your pupils with essential money schools, please do get in touch.

NSPCC Learning – Speak Out Stay Safe Safeguarding Programme

Attached is an email from NSPCC which contains details of their Speak Out Stay Safe programme, including an option for SEND, ASN and ALN pupils.

Early Years Stronger Practice Hub Newsletter

Dear colleagues,

We are thrilled to release our [October Newsletter](#) - showcasing all of the wonderful and most importantly, FREE, CPD opportunities that are available for Early Years Practitioners.

If you have any questions, or would like to work with us, please email our Hub Mailbox on: enquiries@dneyhub.org.uk.

Kind regards,

Derbyshire and Nottinghamshire Early Years Hub

Future Water Bottles – would you like any for your school?

Janine Walker (Head of Targeted Support at Futures, previously Head of Service at the Local Authority) has been in touch as she has a stash of around 70 water bottles in old Futures branding that she would like to re-home, and she thought schools might find them useful for pupils who don't have their own water bottle.

Would you like any of these water bottles for your school? Please let [Emily](#) know if you would (first come first served), as if there is demand she will arrange for Janine to drop them off at NST, and we can pass them on to you when you come in for the members meeting on 17/10.
