### **ABLE Masterclass for SBMs on Subject Access Requests**

The next ABL Business Masterclass is taking place on **Wednesday 21<sup>st</sup> May, 9.00am to 12.15pm, at Strelley Hall**, and the topic is **Subject Access Requests**. Here are some further details from ABL:

School subject access requests can feel overwhelming for a busy school DPO. But the Information Commissioner's Office (ICO) has made it clear: organisations must comply with subject access requests (SARs) and make sure that senior leadership engages with the need to comply. This in-depth SARS masterclass will give you all the tools you need to get control of SARs, particularly as the number of requests tends to increase towards the end of the academic year. Claire Archibald, award-winning data protection in education lawyer at Browne Jacobson LLP will give you all the tools and guidance you need to gain knowledge and confidence in dealing with SARS including:

- How to recognise a request
- Understanding parental and child rights, and how these may differ
- Requests from employees and governors
- What constitutes a 'reasonable' request and what to do if the request is unreasonable
- Carrying out searches
- Requests for CCTV footage
- Redacting information
- Using information from SARs to drive a more proactive approach to compliance.

### **RSE Day Art Project**

Dear colleagues

This year, RSE Day will take place on 26<sup>th</sup> June with the theme of 'Communicate'. Once again, we are working with Challenge Nottingham to bring an exciting RSE Day art project to Nottingham.

On 29<sup>th</sup> April from 2pm to 4pm, we are hosting a mural art workshop with artist Millie Yarwood. Millie will guide delegates through techniques for creating a mural on the theme of healthy communication in relationships. This workshop is designed to support you to create a mural in your school for, or on, RSE Day. You can sign up for the workshop [here](#). The workshop will be held at a central location, possibly the Dryden Centre at Nottingham Trent University.

Millie will also be creating a mural in the Arboretum based around children and young people's views on healthy communication in relationships. We need your help to gather the views of your pupils! We have created a Padlet to capture the views of children, see the instructions here for how you can take part [Achieve Well - RSE Day Art Project](#) The Padlet with questions for your pupils is [here](#).

We really hope that you will get involved with this project to ensure the voices of children in Nottingham are heard! Please share with colleagues if you are not able to attend/get involved.

Best wishes

Catherine
