And finally... a goodbye message from Emily

As I'm almost at the end of my time here at NST, I wanted to take this opportunity to say a huge 'THANK YOU' to all of you for all your help and support over the past seven years. Back in 2018, Pat and Sarah asked me to come over to help them out in the office for a few months. Little did I realise then that I would stay for so long!

I have been so lucky to work with such a dedicated and talented group of people – you really are a terrific bunch! Having seen it first hand, I have some understanding of the graft and tenacity it takes to do what you do – I am honestly in awe of all you achieve each day. The difference you make to the City's children and families is something truly inspirational.

I'll be around until tomorrow (Tuesday) afternoon, so if you need anything at all before then, please just shout. But otherwise, thank you all once again and I hope you have a wonderful break over the summer period. Have lots of fun with your nearest and dearest, and a well-deserved rest too. All the very best for the next academic year, and beyond.

With best wishes,

Emily x
